

08/07/2025

Dear Colleague,

Many thanks for reviewing this gentleman who presented today with various symptoms.

He has a history of asthma and is currently using the following medications: • Salbutamol

Additionally, he has an allergy to: • PENICILLIN

In terms of family history, it is noted that there is maternal rheumatoid arthritis.

I would appreciate your assessment and any further investigations you deem necessary.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'A. Moukli'.

Dr. Ahmad Moukli M.D, MSc, MRCP
